Something for anyone who loves dance or Billy Joel's music. Direct from Broadway and prior to a tour on the continent Movin' Out is the Tony Award-winning Broadway blockbuster featuring 24 unforgettable Billy

Joel classics and Twyla Tharp's explosive choreography.

It is a dance show meets rock concert combination where the spotlight is shared between sensational dancers, a mesmerising 10-piece band, and one dynamic vocalist performing on a raised platform above the stage. Movin' Out can feel like a rock concert unfolding in the middle of a high energy ballet and modern dance show.

Tharp's breath-stopping choreography tells the story of six lifelong friends as they come of age in the Vietnam era from the '60s through to the '80s. With Billy Joel reportedly never to tour again this may be the best opportunity to hear his music live and in the style he intended.
